### About Profile Group Properties

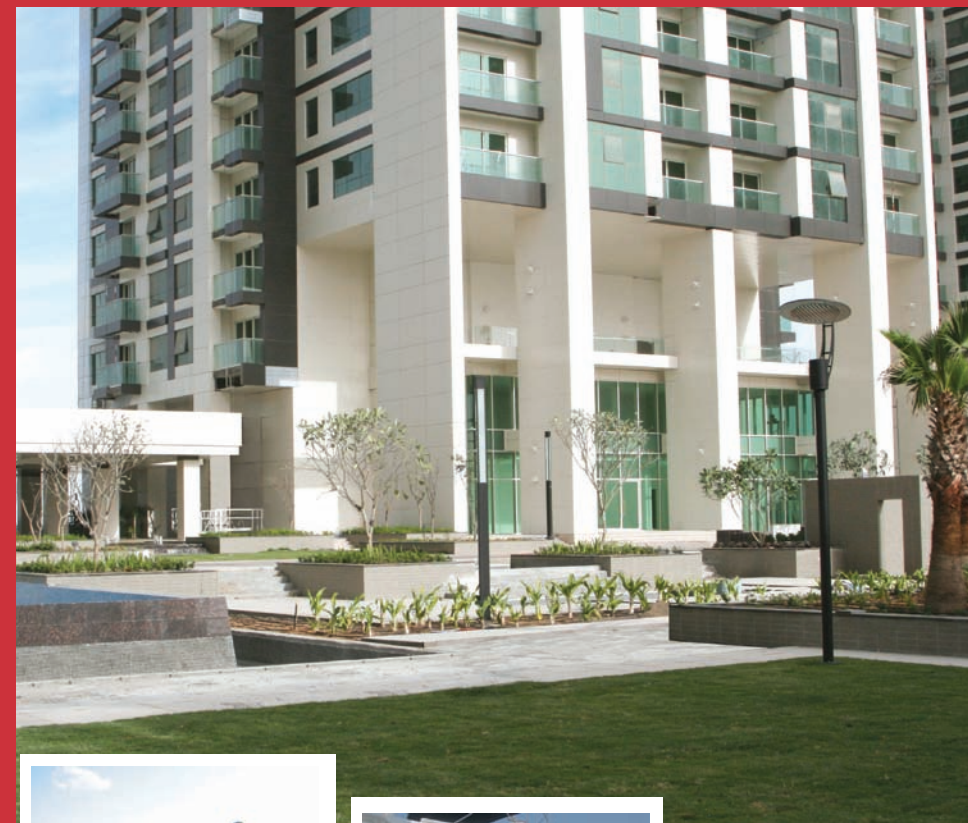

Profile Group Properties LLC is an Abu Dhabi based company specialising in real estate investment, development management, marketing and sales. Having studied the real estate market growth in Abu Dhabi, the company aims to create positive real estate investment opportunities for its clients.

Profile's initial projects "The Marina Heights Towers" will be some of the very first properties to be ready for occupancy on Reem Island. Owners will be able to enjoy their new luxury homes or attractive rental returns well before most other projects within the capital, making Marina Heights an outstanding investment opportunity.
